

EntrepreneurSkills Follow-Up Talent Development Program

By qualifying for the final of Entrepreneur Skills, you have achieved a great (first) milestone in your entrepreneurial career – you may really be proud! But where does your journey go from here? What is your vision, what are your next goals? Are you pursuing your EntrepreneurSkills business project, are you already working on something new or are you implementing your entrepreneurial skills within your company?

With our program, we offer you the opportunity to build on your success with EntrepreneurSkills and continue your personal and professional development. We build on the lessons learned, discuss and implement business tools – and of course we challenge your vision and your future plans!

Program goals and content

- Preparation EuroSkills or other competitions - and real life!
- Further development of entrepreneurial skills & mindset / leadership
- Learn to apply business tools on your projects. Focus on iterations and learning!
- Peer-to-peer learning: business, leadership & mindset: sharing of success stories, learnings, challenges and also struggles.
- Connect with successful startup CEO's, teams and other young talents, broaden your network
