

Talent Program Entrepreneurship - Advanced

You have showcased your exceptional entrepreneurial talent at SwissSkills, EuroSkills or a similar advanced entrepreneurial competition or talent program. You have founded your first company or you will do so in the upcoming months. With this advanced talent program, we offer you tailor-made advice and coaching. While following your vision and goals, we focus on the crucial next steps in your journey as a young and successful entrepreneur.

Program goals and content

- Implement business tools in your company, learn new tools
- Coaching and advice, get connected to experts, entrepreneurs & leaders from our network
- Work on personal vision and goals
- Personal journey as an entrepreneur and young leader, build up resilience

Who is this for?

Advanced participants and alumni from SwissSkills, EuroSkills or similar competitions. Other talents may qualify “sur dossier” for the program.

Setting

1to1 coaching, with additional peer-to-peer sessions and networking events

When and where do we meet?

One year program with 2.5 hours of coaching each month, plus peer-to-peer meetings, event invitations and support by e-mail or phone.

Costs

CHF 6'450
